DON'T MISS THE OPPORTUNITY TO WATCH THE AC37 ON WATER FROM THE FRONT ROW

Between **August and October 2024**, the competition for the oldest trophy in international sport will be hosted in Barcelona.

This is the race with no second place. Either you win or you lose, and it has been like this from the very beginning. Dating back to 1851, the America's Cup continues to be one of the most challenging endeavors in sporting history. This year's format offers a huge range of world-class racing across the event calendar, including the UniCredit Youth & Puig Women's America's Cup Programmes, all of which can be enjoyed from our exclusive hospitality area.

The Louis Vuitton 37th America's Cup Barcelona attracts a diverse audience, from hardcore sailing enthusiasts to sports fans, who will be glad to experience the races from the 'Preferred On Water Charter Partners' zone.

Sail & Charter offers to locals and visitors the Official Ticketing Programme to enjoy America's Cup experience to the next level: **On the water.**

With a special emphasis placed on proximity to the race course and race entertainment, **Sail & Charter** has carefully selected a number of yachts, sail and power, and catamarans, to provide different experiences for families, friends and business. Our Partners can offer the same level of comfort across different boats and styles of experiences
